

## Add Commas to Numeric Fields in Microsoft Dynamics SL Screens

### QuickComma

Which display would you rather see?

79589706.87 or 79,589,706.87

QuickComma adds commas to numeric fields in Dynamics SL.

QuickComma includes a customization for every Solomon screen containing a decimal numeric field.

QuickComma's Dynamic Customization adds commas to custom screens and third-party applications.

QuickComma's Installation Utility installs and manages QuickComma customizations quickly and easily.

Period:	PTD Balance:	YTD Balance:
